## HYBRID PLATFORM & MATCHMAKING SESSIONS

We are organizing a hybrid event combining physical presence in Dunkirk and virtual attendance. Therefore the sessions will also be livestreamed on our dedicated event platform [Conversation Starter](#).

To help you meet future collaborators and partners during the CO<sub>2</sub> Value Days, we have foreseen some networking time! The matchmaking sessions will take place on:

- Thursday 25 November:
  - o 15.10 to 15.30 CET (coffee break)
  - o 17.15 to 18.30 CET
- Friday 26 November:
  - o 11.00 to 13.00 CET (for those not joining the visit of the harbor)
  - o 13.00 to 14.00 CET (lunch break)

A dedicated area will be organized in the event venue so all in person attendees can connect with online participants for 1-to-1 conversations. Please make sure to bring your own headset or earplugs.

It is now time to create your profile on [Conversation Starter](#)

How Conversation Starter works:

1. Create your profile now: Who would you like to meet? What expertise can you offer?
2. As of Monday 22 November, invite participants to meet online during the match making sessions of the CVE days. You will also have the possibility to invite people who will be joining the event online.
3. At the start of the event, you will receive your personal meeting schedule.
